## Cabins

The Santa Cruz II's Swedish designed cabins reflect the latest in cruise trends. Comfortable spaces feature single picture windows that illuminate the interior and allow guests to take in the views and relax after a day of active exploring. Our three Darwin Suites on the Panorama Deck, with spectacular double picture windows, will provide superb comfort and deluxe amenities for the most discerning guests.

## Lounges and Deck Spaces

The Santa Cruz II offers handsome installations to perfectly complement the day's outings. Enjoy the fresh air atop the SunDeck or grab a quick BBQ snack on the outdoor terrace. Work out in the modern gym or enjoy a delightful hot tub soak. Relax in the bar/lounge amid the ship's convivial atmosphere, or find a book to satisfy your curiosity and learn more about island life in the ample reading room.
