

Magellan Explorer

INNOVATIVE TECHNOLOGY · MODERN DESIGN

Magellan Explorer is a modern expedition vessel custom-built for our Antarctic air-cruises. The ship was constructed in Chile to the latest Polar Code specifications and launched in 2019.

For our air-cruises, Magellan Explorer has seven categories of accommodation, including dedicated single cabins. All cabins except Porthole Cabins feature private balconies. All double cabins, except four, have two twin beds that can be configured as one king-size bed. All cabins feature a wardrobe, an individually controlled heating system, a sitting area, and a private bathroom with a shower.

The ship features a glass-enclosed observation lounge and presentation room with state-of-the-art audio-visual equipment, a spacious and stylish dining room, a well-stocked bar, a library, a meeting room, a gym, a sauna, and a medical clinic. The forward-facing observation deck leads to the ship's bow, which is accessible to guests to offer proximity to marine wildlife. The ship has a fleet of 10 Zodiacs that are well suited for disembarking and wildlife watching.

The fitness center aboard Magellan Explorer has been designed and built by the professionals at Anytime Fitness, the world's only fitness company with boutique gyms on all seven continents. For more information, see anytimefitness.com.

Specifications

Passengers:
76 maximum on air-cruises
