Ocean Nova

Ocean Nova is a modern and comfortable expedition vessel. She was built in Denmark in 1992 to sail the ice-choked waters of Greenland. She was fully refurbished in 2006 and has since benefitted from annual upgrades and improvements. Her ice-strengthened hull is ideally suited for expedition travel in Antarctica.

For our air-cruises, Ocean Nova has capacity for 67 passengers accommodated in comfortable outside cabins. The ship offers three categories of accommodation: dedicated Single Cabins, Twin Cabins, and Triple Cabins. All cabins feature a picture window, a writing desk with chair, a wardrobe, individually controlled heating system, and a private bathroom with shower.

In addition to a glass-enclosed observation lounge and presentation room, Ocean Nova also has a spacious dining room, a bar, a library, a small gym, and an infirmary. The ship has a fleet of 7 Zodiac boats that are well suited for disembarking and wildlife watching.

Cabins

Category	Average size	Details
● Single Cabins	87 sq. ft. 8 sq. m	One lower single bed
● Twin Cabins	106 sq. ft. 10 sq. m	Two lower beds
● Triple Cabins	150 sq. ft. 14 sq. m	Two lower beds and one upper bed

Specifications
