

Ocean Nova

STRONG AND MIGHTY · ACTIVE ADVENTURE

Ocean Nova is a sturdy and nimble expedition vessel. This ship was built in Denmark in 1992 to sail the ice-choked waters of Greenland. It has an ice-strengthened hull that is ideally suited for expedition travel in Antarctica. Fully renovated in 2006, the ship has benefitted from annual upgrades and improvements since then.

The ship's outside cabins offer three categories of accommodation: dedicated Single Cabins, Twin Cabins, and Triple Cabins. All cabins feature a picture window, a writing desk with a chair, a wardrobe, an individually controlled heating system, and a private bathroom with a shower.

In addition to a glass-enclosed observation lounge and a presentation room, Ocean Nova also has a spacious dining room, a bar, a library, a small gym, and an infirmary. The ship has a fleet of 7 Zodiacs that are well suited for disembarking and wildlife watching.

Specifications

Passengers:
67 maximum on air-cruises

Expedition Staff & Crew:
46

Lifeboats:
2, fully enclosed, capacity of 110 (in addition to 4 life rafts, capacity of 100)

Length:
